

## *Certificate of Compliance*

**Customer P.O. #: POLYMERSHAPES**  
**AZ Polymers Sales Order #: XXXXX**

AZ Polymers Quality Management System:

AZCARB polycarbonate sheet has been tested in accordance with various ASTM methods. Typical properties and values can be found on the product data sheets as well as Lexan 103-112 Resin COA.

AZCARB for Polymershapes was manufactured with Lexan 103-112 Resin.

With consideration given to the specific gauge and product, AZCARB polycarbonate sheet may be further characterized by the following certifications, specifications and agency listings as appropriate:

- Underwriters Laboratories File #E351891
- Miami-Dade County, Florida Product Control NOA
- EN 10204-2.1
- ASTM-D-3935
- A-A-59502

*Item #	Description
	AZCARB POLYCARBONATE SHEET
	Made with Lexan Resin 103-112
	t

\*Work Order number available on pallet label
