Re: FDA - Certificate of Origin
Customer P.O. #: 14795

This material certification and confirmation of manufacture in North America applies to **all** deliveries under Purchase Order # 14795.

The product contained in **Lot # 35410** is produced in its primary and unmodified form to meet all requirements of the U.S. Food and Drug Administration as specified in 21CFR177.1520, covering safe use of polyolefin articles and components of articles intended for direct food contact. Any element exposure or additive modification on the part of the processor subsequent to delivery of this product is deemed the sole responsibility of the processor.

This product originated and was manufactured in North America.

Sincerely,

Shaw Polymers, LLC
